

**Project Development Phase**  
**Sprint-2 Register & Login to IBM Cloud**

Date	08 November 2022
Team ID	PNT2022TMID31103
Project Name	Virtual Eye - Life Guard For Swimming Pools To Detect Active Drowning
Maximum Marks	8 Marks

- Register with IBM cloud.
- After Register, sign in with your credentials link.
- Sign in with IBM id and Password .
- IBM cloud dashboard will be created.

The screenshot displays the IBM Cloud Dashboard. At the top, the word "Dashboard" is followed by a dropdown arrow. To the right is a blue "Create resource" button with a plus icon. Below this is a "For you" section with a "Select an option" dropdown. This section contains five cards: "Build" (purple background, "Explore IBM Cloud with this selection of easy starter tutorials and services."), "Create a custom dashboard" (cloud icon, "Create a shareable dashboard that you can customize with widgets, scope, and your own layout."), "Explore IBM Cloud Shell" (terminal icon, "Try a command-driven approach for creating, developing, and deploying a web project."), "Build cloud-native apps using IBM Cloud Object Storage" (storage icon, "Build integrated apps using compute runtimes and microservices and use IBM Cloud® Object Storage services for data storage."), and "Monitor your resources" (monitor icon, "Get visibility into performance and your resources."). Each card has a "Getting started" button and a duration (3 min, 2 min, 10 min, and 10 min respectively). At the bottom, there are sections for "User access" (with a "Manage users" link), "News" (with a "View all" link), and "Planned maintenance" (with a "View" link and a calendar icon).
